

# Manure Management Plan Writing Workshops

## Directions

### **March 25th Location:**

Rovendale Ag & Barn  
1300 Susquehanna Trail,  
Watsontown, PA 17777

### **Directions to the facility:**

From PA-147 N/Susquehanna Trail  
continue onto I-180 West/  
Susquehanna Trail, then take Exit 1  
toward Watsontown/McEwensville,  
then turn right onto Susquehanna  
Trail. Rovendale Ag & Barn will be  
immediately on your right.

### **March 29th Location:**

USDA ARS Lab  
31 Watershed Road  
Klingerstown, PA 17941

### **Directions to the facility:**

From Route 225, turn onto  
Hooflander Road, then turn left onto  
Klingerstown Road. Klingerstown  
Road will turn into Main Street.  
From Main Street, turn left onto  
Ridge Road, and then make a slight  
left onto Watershed Road. The  
facility will be on the left.

To register, detach the  
registration section of this flyer  
and send it to NCCD. **The  
deadline is one week prior to  
the workshop of your choice**

# NORTHUMBERLAND COUNTY PLANNING WORKSHOPS

Northumberland County Conservation District is hosting FREE Manure Management Plan Writing Workshops. The workshops are open-house structured. Come in for a few hours for One on One plan writing assistance. Our goal is to ensure each producer who attends a workshop leaves with a completed plan.

Please bring as much information as possible about the fields you farm, animal species & numbers, current and planned management practices, imported or exported manure, etc.

## WHY DO I NEED A MANURE MANAGEMENT PLAN?

*Per PA Chapter 91 Regulations:* All farming operations that generate or apply manure are required to develop and implement a Manure Management Plan. This Includes Horse owners and Hobby farmers.

## Manure Management Plan Writing Workshop

(Registration due 7 days in advance)
